Handling of portraits (pictures and movies) and personal information

To applicants,

Joint seminar is one of our compulsory classes of JMSES held at MJIT. This year joint seminar will be jointly held with “Exchange project with Universiti Teknologi Malaysia” by Global Commons, University of Tsukuba. Aim of Campus in Campus is to activate student exchange with CiC partner universities. To achieve it, it is important for us to advertise with portraits of student exchange as PR. We greatly appreciate if you allow us to use your pictures and movies taken during this seminar for PR of JMSES, CiC and student exchange project with UTM. If you request to remove your pictures from our website, we will follow it. In addition, we would appreciate if you allow us to share your personal information with MJIT/UTM, other students and travel agencies if necessary. We will not disclose your English test score to other students.

Agreements on the use of portraits and handling of personal information

I agree with using my portraits (pictures and movies) by University of Tsukuba and Universiti Teknologi Malaysia. I also agree with sharing my personal information if necessary with University of Tsukuba and Universiti Teknologi Malaysia, other students and travel agencies as described above.
